

EVERYONE PLAYS

Your child is guaranteed to play at least 50% of each game, regardless of his or her level of skill or aptitude.

BALANCED TEAMS

Team balancing promotes the AYSO philosophy stressing team participation not winning. Every player should have an equal opportunity to be on a winning team, independent of skills. We try to set up teams at the beginning of the season to make them as balanced as possible.

OPEN REGISTRATION

Our program is open to all children between 4 and 18 years of age who want to register and play soccer. There are no tryouts to "make the team", no reserved places, girls participate as well as boys, and beginners are just as welcome as skilled players. Interest and enthusiasm are the only criteria for playing.

POSITIVE COACHING

We say, winning kids comes first, winning games comes second. Kids thrive on encouragement. The extra effort it takes to offer positive help to our players, rather than negative criticism, is an investment in the future of all our kids - on or off the playing field.

GOOD SPORTSMANSHIP

AYSO creates a positive environment based on mutual respect, rather than a "win at all cost" attitude.

PLAYER DEVELOPMENT

We believe that all players should be able to develop their soccer skills and knowledge to the best of their abilities, both individually and as members of a team, in order to maximize their enjoyment of the game.
